## Volunteer Time Matching

Numerous local companies recognize volunteer time through the donation of cash grants to non-profits in which their employees volunteer. **This means that for each hour of your volunteer time, your employer may donate money to the Maple Hills Marlins Swim Team.** Listed below are companies who we understand participate in this type of program, together with name of their Program.

If you do not see your employer listed, and they participate in this type of program, or if a correction should be made in the list contact Stacey King at [swrakings@comcast.net](mailto:swrakings@comcast.net). Please check with your human resources department for more information about your employer's program. The Marlins are being added to the list at Microsoft.
